Effortless entertaining is a breeze within this spacious floorplan. The well-designed kitchen makes it easy to chat with friends, (while creating tempting appetizers), and yet still have room to move about unhindered. Whether you choose to dine alfresco on your private patio or veranda, or utilize the spacious dining room, either option is appealing. On cool evenings, the warmth of the wood-burning fireplace makes your home all the more inviting.

residence 2

1 Bedroom | 1 Bathroom | 720 sq. ft.
